ATTACHMENT TO INFORMATION DISCLOSURE STATEMENT

To complete the record, Applicant brings, by way of this information disclosure statement, the fact that custom blended lip gloss was on sale by the applicant or its agents at least one year before the filing date of the instant continuation-in-part application, but not one year before the filing date of the parent application (Serial No. 08/924,196). The addition of lip gloss to the present application is made for sake of clarity and to make explicit what was inherent in the parent application. In particular, softer forms of lipstick are often stored in lip balm jars whereas conventional extendible and retractable lipstick are not typically stored in lip balm jars. Lip gloss is one such softer form of lipstick that can be stored in lip balm jars.
